What seems to be the problem with your gadget? Explain or draw in the box below:

Please be very detailed and use the back if needed!

Step Three: Package it up and ship it out.

Carefully package your gadget in the appropriate protective packaging to ensure that nothing else damages your device. We recommend that you use delivery conformation or a tracking number, if your really worried about your gadget and want to have some peace of mind, insure your package.

(PLEASE SEND TO THE ADDRESS YOU SELECTED IN STEP ONE)

Within 24 hours of receiving your gadget we will contact you to provide an estimate. Upon approval and a cleared payment we will repair your device and ship it back to you. If you decide to not repair your gadget a minimum shipping fee of \$15.00 will be charged for return shipping (shipping varies depending on weight).

DON'T FORGET TO SIGN & DATE!
